

## White Fireman Brutally Killed By Negro Constable.

Camden, N. J., Dec. 26 — Albert Hilke, a white man, aged 39 years, was murdered today while returning to his home on South Eighth street. Hilke saw two negroes fighting and attempted to separate them. The larger of the fighters threw Hilke to the pavement and drawing a razor almost severed his head, killing him instantly. Clement Ridgeway, who lives in a negro settlement in South Camden, was arrested on suspicion of knowing something about the murder.
