

HOT BASKET BALL

Camden Defeats Bristol In the Opening League Game

The National Basket Ball League season opened in Camden last night with the hottest game that Camden has ever experienced, with the Bristol team as opponents. The game was not decided until all of the first half and part of the second had elapsed. During the first half first one team was in the lead and then the other would catch up and pass them. The score was 13 to 13 at the ending of the half Klein landing two lucky goals and tying the tally with a half minute to play. For Bristol Snow and Klein did the scoring in the half Cartwright, Beale and Wallace did Camden's goal throwing.

In the second half Madley broke the tie from a free throw on Dippy's foul. Their lead, however, was soon lost as Wallace got the ball and after dribbling the length of the floor dropped it into the net. Cramer repeated the trick five seconds later and the Bristol team never recovered their hold. Before the half ended Plant and Wallace were disqualified for the rest of the game for slugging. The final score was Camden 27, Bristol 20. The line-up:
