

HAVE POSITIVE EVIDENCE.

By Telegraph to THE PATRIOT.

CAMDEN, N. J., Feb. 4.—“Dick” Sampson, Joseph Leonard and Levinia Moore were arrested to-day, the two latter in Philadelphia, and a number of articles of value stolen from houses in this city were recovered.

The Moore woman was housekeeper for Theodore Lambert, colored, who was arrested on suspicion of being the burglar who shot Baker William Kairer at his home on the morning of December 4 last. After an interview with the prisoners, the county officials announced that they now had positive evidence that Lambert shot and killed Kairer, and that the evidence would be submitted to the grand jury to-morrow.
