IT STOPPED MY SUFFERING

Said Mrs. Jaynes, Speaking of Lydia E. Pinkham's Vegetable Compound.

Anderson, S. C.—"I got into an awful condition with what the doctors said was an organic displacement. I would have pains so badly that they would have to put hot clothes on me and give me morphine. The doctor said I would never be any better without an operation and I would never have any children without it. A neighbor who knew what your medicine would do advised me to give Lydia E. Pinkham's Vegetable Compound a trial. I did so and it made me a well woman and the next September I gave birth to a healthy baby boy."

—Mrs. Sallie Jaynes, 37 Lyon St., Anderson, S. C. The letters which we are constantly publishing from women in every section of this country prove beyond question the merit of this famous root and herb medicine, Lydia E. Pinkham's Vegetable Compound.
